### "Do This in Remembrance of Me" A Step-By-Step Walk Through the Mass

Part 18: The Response After the Readings

### "Thanks be to God!"

After the First and Second Readings at Mass, we have this familiar statement and response from the congregation. As the Diocese of Peoria's *A Study of the Mass* teaches, "At the end of the reading, the lector announces, 'the Word of the Lord,' which is a testament of our faith in the inspired Word of God in Sacred Scripture. We readily show our gratitude and respond, 'Thanks be to God!' We are thankful that God has revealed himself to us and that He continues to speak to us" (p. 7).

### God Speaks to Us

Far more than just being "standard operating procedure," these little dialogues are really powerful affirmations of what is happening during the Liturgy of the Word. While the lector proclaims God's Word, we listen to what God wants to teach us that particular day. Even if we are generally attentive to the readings, we can easily get distracted. Perhaps we notice someone sitting nearby and think of a question we wanted to ask him or her. Sometimes, a word in the reading reminds us of another thought. Maybe our stomach growls and we start thinking about what our next meal might be. In any event, at the end of the reading, the lector helps to get us back on track if we've wandered astray. The lector says, "The Word of the Lord," as if to say, "In case you forgot or didn't notice, the Lord God of heaven and earth was just speaking to you." It really is amazing to stop and think about: God is speaking to us, his people, through the readings at Mass!

Our response, "Thanks be to God," acknowledges that God is truly speaking to his people through the Bible reading we just heard and that we recognize we are blessed to hear those words! Being in the habit of turning to God in thankfulness can be so helpful in our daily living as well. In the midst of our lives, we easily get our hearts turned inward, such as when we are thinking about what makes us happy or what we would enjoy for dinner. In more serious situations, when we fall into sin, we are turned inward in a way that keeps our vision away from God and others. When this happens, we can find ourselves falling into selfishness and self-seeking behavior. We can also miss opportunities for charity because we do not recognize the good in the people around us.

### **Practicing Thankfulness**

In these latter situations, the grace of the sacraments helps strengthen us. Thankfulness is also a great remedy that helps turn our hearts as we recognize blessings that have come from God and others. Being thankful can give us a reset and help us once again to see and appreciate the gifts God has given us and the good that we can see in one another. We glimpse the wisdom behind our response to the readings at Mass. Being in the habit of regularly thanking God helps keep our hearts healthy and on track.

Not only does this dialogue help us acknowledge God and thank him for the Scriptures, but it can also help us stay in tune with what we are doing at Mass. As you may know, the word Eucharist itself means "thanksgiving." In the Mass, we join with Christ in the perfect sacrifice of praise to God the Father. As God's people, we are also joined together in thankful praise, recognizing the love of Christ and our invitation to share in that love. Very fittingly, after the Second Reading and response, we will praise God together in preparation for the Gospel as we sing the Alleluia!

### For Reflection:

- Reflect on a few Scripture passages which proclaim, "Thanks be to God" (e.g., Romans 7:25, 1 Corinthians 15:57, 2 Corinthians 9:15). Compare St. Paul's cause for thanksgiving with your own reasons for gratitude. Consider adding "Thanks be to God" to your public ways of expressing joy and gratitude in daily life.
- 2. Psalms 105, 106, 107, 118, and 136 (among others) all begin by inviting us to "Give thanks to the Lord." Try beginning your next time of prayer with thanksgiving.

# FEASTIN

Miracle of the Sun | St. Gerard | St. Luke | St. John Paul II | St. Jude

### 10/16 St. Gerard

St. Gerard is the patron of expectant mothers. Pray together for one of the many new moms at our parish, offer a visit to the chapel, make a card (or a meal!) and deliver it. Pop into the church to find our statue of St. Gerard. At dinner tonight, share some of your child's birth story!

### 10/18 St. Luke

The Feast of St. Luke is a good day to read a favorite story from the Gospel of St. Luke or the Acts of the Apostles. You could also pray the Magnificat, which was preserved for us by St. Luke. He was a physician, so it's also a great day to hug or pray for a doctor!

### 10/22 Pope St. John Paul II

Pope St. John Paul II danced in Africa, giggled with children, and led our Church for 27 years. Celebrate with a rosary hike - pray the luminous mysteries or the Divine Mercy chaplet. Prepare a polish meal together: kielbasa, pierogi, sauerkraut, and the papal cream cake - kremowka!

## 10/13 Miracle of the Sun

Watch The 13th Day on Formed or search online to see photos taken on the day "the sun danced" at Fatima. Come pray a family rosary, enjoy a bonfire, and have some treats at St. Catharine -7pm in the St. Peter room. Use a recycled berry box and Sharpies to make a sun catcher!

## 10/28 St. Jude

Make a family prayer board (do a quick search online for ideas) for St. Jude's attention to help with special intentions and "desperate cases." Make plans to visit the relic of St. Jude Thaddeus on October 30 at St. Paul's in Westerville (1:00-10:00pm) - Mass is at 7pm. Pope Francis has attached a plenary indulgence to the veneration of St. Jude's relic. Wow!

Do a a quick online search for resources, recipes, and prayers for fasting and feasting in your little Domestic Church: Catholic All Year, Catholic Icing, Elizabeth Clare blog, USCCB, or <u>catholic.org</u>.

### The Joy of Family Bonfires and Papal Cream Cake

At the close of the Mass we are sent out into the world to love God, love people, and share the Good News. Take the celebration with you! Try these easy ways to make the special days of the Church calendar part of your family's day-to-day life.

I. Celebrate the anniversary of your baptism.

Plan a special dessert, share pictures or stories from the day, light a candle, and renew your baptismal promises - you can find them on <u>catholic.org</u>. (Don't know the anniversary of your baptism? Check your baptismal certificate or call the parish where you were baptized.)

2. Celebrate Namedays!

Find out the feast days on the Church calendar of the Saints who share your name. Do acts of charity and ask for their intercession, make a special meal, and share prayers and stories about the Saint.

3. Choose a few other celebrations throughout the Church year that might have particular meaning to you, like feast days to celebrate the Virgin Mary or something important that happened in the life of Jesus. With a quick Google search, you will find amazing traditions, recipes, and fun ideas. (What if you had a family bonfire to celebrate Pentecost? Or ate chocolate covered grasshoppers to celebrate the Passion of John the Baptist? Maybe not.)

There are so many fun feasts and traditions in our Catholic Faith. They teach us about the saving work of God and His incredible love for us. They remind us of the holy men and women who lead us closer to Jesus. They give us a way to joyfully share our Faith. Start simple and invite other families to celebrate with you; be prepared to to tell all about it - truly, who wouldn't want to know the story behind a dessert like papal cream cake?

God made us for joy. - Pope St. John Paul II

### **Register to Vote by October 10th**

This November, Ohioans will vote on a proposed change to the Ohio Constitution that would enshrine abortion into law. Our Catholic faith tells us that God places no condition on the value of human life from conception until natural death. Therefore, the Catholic Church cannot be silent when vulnerable women and preborn children are threatened by an amendment that...

- Puts women at risk by endangering medical and safety standards
- Allows painful, late-term abortions by not setting any clear limits on abortion
- Threatens parental rights by challenging notification requirements when minors seek abortions or other reproductive interventions

Your vote is needed to save Ohio from this extreme amendment. Register to vote or update your information by October 10th at www.voteohio.gov

Jesus calls us to stand up for "the least of these" in our society, including preborn children and vulnerable women. Catholics must protect both women and children by Voting No on Issue 1.

### Early Voting Against Issues 1 & 2

Catholics are called to faithful citizenship, which means we must act when a moral question confronts our society by praying and fasting, educating ourselves and our neighbors, and making our voice heard when it's time to vote.

As followers of Christ, Catholics cannot be silent when the health and safety of women and preborn children are endangered by the vague language of Issue 1. We must also protect the health of children and safety of our communities, which are both threatened by the legalization of recreational marijuana proposed by Issue 2. Recreational marijuana puts children at risk by increasing exposure to harmful drugs when their development is most vulnerable. It also increases the likelihood of traffic fatalities and workplace accidents.

Visit www.voteohio.gov to register to vote by October 10th. Early voting begins October 11th – find your early voting location or request an absentee ballot at <u>www.voteohio.gov</u> to protect women, children, and communities in Ohio and Vote NO on Issue 1 and Issue 2.

The Catholic Conference of Ohio is the official voice of the Catholic Church in Ohio on public policy, advocating for the dignity of life at all stages, immigrants, Ohioans in need, and Catholic education. ATHOLIC www.ohiocathconf.org
