ORDINARY TIME

ST. CATHARINE CHURCH

*You are the light of the world.
A city set on a mountain cannot be
hidden. Nor do they light a lamp and
then put it under a bushel basket;
it is set on a lampstand,
where it gives light to all in the house.*

Did you know that loneliness and disconnection drive many to pornography?

It's true! We are relational beings, and when we don't connect with real people, we look for that connection somewhere else, often in areas that harm us deeply.

People who are exposed to porn early in life often struggle connecting with people on a deep level and continue to seek synthetic relationships, like digital ones, instead.

How we treat our children is how they believe God treats His children. When we yell at our children when they mess up, they'll believe God is also angry with them and feel unforgivable and unworthy.

The answer isn't perfection, it's connection.

Secure your copy of **Connected: How Strong Family Relationships Lead to Internet-Safe Kids** today!

When our children would rather run to us than away from us when they're in trouble, that's when we know they're connected to us and know we've created a safe environment.

You'll learn:

- How We Were Made for Connection
- Connecting as Spouses
- Connecting With Children

Statistics show 22% of young people ages 18-24 consider porn to be good for society, and 8% believe it's "very good for society."
